On Behalf of Nauru Utilities Corporation

Temporary Road Closure, Buada, Sat, 8Aug2020, 5.30am to 6.00pm

Nauru Utilities Corporation is advising the general public that the main road to Buada District will be closed to all motorists from 5.30am to 6pm on Saturday, 8 August 2020.

The full closure is arranged to allow NUC Engineers to construct underground cables trenches and carryout associated upgrading works on power systems.

The travelling public are advised to take this notice into account and use either the alternative routes or the detour provided during the course of works when finalising their travel plans in and around the Buada District.

NUC apologises for any inconvenience caused.

For enquiries, call 557 4038.

On Behalf of the Department of Justice and Border Control (Dog Licencing Authority)

Public notice dog licencing: Save your pet – licence your dog (see PDF attached).

As a response to increasing number of dogs, the Dog Licensing Authority is exercising its powers under the ***Dog Management and Control Act 2017*** to address the issue of the increasing dog population causing danger to public safety.

Dog licensing is compulsory. A one-off licensing fee for dog licensing is now reduced to \$20.00 per dog. A household can only have 2 dogs. This is your time to save and look after your pet by getting them licensed at the Department of Justice. Forms are available for the purpose of licensing. **This amnesty is only for 30 days commencing from 10th August 2020 to 10th September 2020.** After that, the full licensing fee will apply.

All unlicensed dogs are deemed to be stray or wild dogs. Stray and wild dogs will be caught and destroyed without any delay by the Authority.

Members of the public may also contact the Dog Licensing Authority to remove dogs which do not belong to them but are living around their residences.

The Authority is currently undertaking the following:

- (a) on request of any member of the public, a stray or wild dog will be caught and destroyed;
- (b) a compulsory trap will be set for dogs around the island to maximise the catching and destroying of unlicensed dogs; and
- (c) other aggressive measures will be undertaken and will be announced in due course.

Members of the public are requested to cooperate with Authorised Officers to assist in reducing the stray and wild dog population on the island for the purposes of public and health safety. It is an offence to interfere, obstruct or abuse Authorised Officers carrying out their duty under the ***Dog Management and Control Act 2017***, which carries a fine and term of imprisonment.
